SCHOOL OF MINISTRY

2026 - 2027

OUR VISION

To help people know Christ more deeply, understand the Word of God, teach it faithfully, apply it to their daily lives, and equip others to do the same.

At Called Christians School of Ministry, our goal is to prepare and equip believers to know Christ more deeply, to know what the Word of God means and to apply it to your own life. You can know, love, and serve Christ in your everyday life.

This two-term, full-time, program will help you grow in your faith, enjoy Christian community, get equipped to serve as God calls, and live out what you say you believe. One year pursuing Jesus changes everything.
